SUMMARY

Business Analytics & Information Systems student at the University of Iowa with experience in procurement, inventory, and supply chain operations. I enjoy using data to solve problems and improve processes, with skills in Excel, SQL, and Python.

EDUCATION

The University of Iowa | Iowa City, IA

Anticipated May 2027

B.B.A, Business Analytics and Information Systems, Minor in Finance

Kirkwood Community College | Cedar Rapids, IA

Graduated May 2025

Business Administration

WORK EXPERIENCE

Procurement Intern | Geater Machining | Independence, IA |

May 2026 – Aug 2026

- Analyzed raw material usage and identified opportunities to reduce the number of material sizes used, helping improve inventory efficiency and reduce waste.
- Created and managed purchase orders for raw materials, hardware, paint, and production supplies to support manufacturing operations.
- Tracked late purchase orders, communicated with suppliers, and resolved delivery issues to help ensure on-time material availability.
- Maintained inventory records and collaborated with production teams using Microsoft Excel and the GOLD ERP system to support supply chain operations.

Warehouse Associate | Voss Distributing | North Liberty, IA

October 2024 – Present

- Monitored and manage inventory levels using tracking systems
- Analyze product movement and assist in improving order fulfillment efficiency
- Support sales teams by aiding inside of stores to ensure inventory accuracy

PROJECTS

Laptop Price Analysis

- Analyzed data from 300 laptops to identify hardware components that most significantly influenced pricing.
- Applied statistical and analytical techniques to identify pricing trends and key drivers.

SKILLS

Technical: Excel, SQL, Python, Microsoft Office, GOLD ERP

Supply Chain: Procurement, Inventory Management, Purchase Orders, Supplier Communication, Process Improvement, Order Fulfillment
